## Ambience Screen Saver With Key Free Download For Windows (April-2022)

===== Ambience is a screen saver designed in a way to fit your background music and mood. The screen saver incorporates the smooth and animated animation, the perfect music to put you in a relaxed mood. The slideshow feature lets you select a slideshow from the library of background music and you can start a slideshow by pressing a key on the keyboard. Change the screensaver Ambience: ===== To set Ambience as your screensaver, you must first install it. To do so, download the file to your desktop and double-click on it to open it. After the installation is complete, right-click on the desktop or any other folder and click on the New item option. In the New item window, select Screensaver and click on OK to add the screensaver to the desktop. Double-click the newly added screensaver to open it. Screensaver features ===== 1. The Music feature enables you to use your own music instead of Ambience music. 2. You can choose from a selection of pre-loaded themes or create your own. 3. Set the screensaver cycle to use a slideshow of a chosen background image or a slideshow of a chosen song. 4. You can adjust the duration of the animation by pressing and holding down the CTRL key. 5. It supports many languages for easy operation. Technical: ===== 1. It runs with the Microsoft Windows 98/Me/2000/XP/2003/Vista/7/8 2. It does not support any Win16/Win32 antivirus software. 3. The screensaver size is not dependent on your screen resolution. 4. For best results, use a Windows 98/Me/2000/XP/2003/Vista/7/8 system with a well-functioning sound card and speakers or headphones connected to your system. music screensaver I enjoy watching music play while I do work on my computer, I have Windows 7 and I find the music screen saver of "Ambience" to be very nice, especially the fact that it's customized to my taste. It's nice to look at too, thanks! Software developer I enjoy watching music play while I do work on my computer, I have Windows 7 and I find the music screen saver of "Ambience" to be very nice, especially the fact that it's customized to my taste.
