I am grateful to you and expect more posts like this. . And also, I hope that you do not forget about your body. After all, health is the most important thing. And sports, like sleep, help in this. So, how do you start exercising? And you need to start with food. After all, as we know, everything is interconnected. Let's start. . 1. Power mode. No need to think that it will be useful to eat every 2-3 hours. This is not true. But once a day is a must, even if you don't feel like eating. You need to eat so that the body receives useful substances (in simple words, so that there is a feeling of satiety). .
