What is the safest and easiest way to upgrade my existing installation? I have my old /Applications/Xcode directory (which contains Xcode 4.4.0). A: Normally you would run the installer within a virtual machine (VMWare or Parallels). However, if you have access to a Mac machine then you can download Xcode from the developer.apple.com site here. In the download section there is an option to upgrade existing developer tools. You have to manually upgrade the installer as it doesn't offer that option. If you need help then see this question. Arizona State Route 88 State Route 88, also known as SR 88 or the Pima Freeway, is a short state highway in Pima County, Arizona, United States. The freeway runs north–south from SR 74 to a junction with SR 86 near Tucson International Airport. SR 88 is an important bypass of Tucson from its southern terminus in Nogales to its northern terminus in Tucson. The southern terminus for SR 88 is at the port of entry with Mexico in Nogales, and runs northwest from there along the border with Arizona to the city of Tucson. It serves as the border crossing between Nogales, Arizona and Nogales, Sonora. SR 88 continues north of Tucson to the north interchanges with SR 86 and SR 863.
