After starting the program, in the window that appears, you must enter the serial number. You must enter the serial number every time you start the program. In general, Roxio Toast Titanium does not need a key in principle. The program works without it. Therefore, with Roxio Toast Titanium you can burn both audio and video files (on CD, DVD or Blu-ray). But be that as it may, you can always download Roxio Toast Titanium with a key from our website.
