## Stotraa Browser Optimizer Crack [Win/Mac] 2022

Stotraa Browser Optimizer is an efficient and reliable piece of software developed to offer you the means of enhancing the speed and reliability of your Internet surfing applications, by cleaning up various unnecessary data kept by your browser from session to session. Installation notice During the installation process, you should note that the utility offers to change your homepage on the found browsers. However, you are able to decline this modification by un-checking the corresponding box, after which the operation proceeds as normal. Straight-forward and clean appearance The interface of Stotraa Browser Optimizer is fairly intuitive and easy to follow, as it emphasizes all the browsers it detects installed on your system, supporting Firefox, Google Chrome, Internet Explorer, Opera and Safari; the ones that are not found on your computer are simply disabled in the main window. When closed, the application retreats to the notification area, enabling you to access it by double-clicking on its icon whenever you want to work with it, but otherwise not interfering with your regular activities. Select the targeted browser and remove the detected issues Stotraa Browser Optimizer can function in two rather different ways, allowing you to either select the browser you wish to clean from the main window by clicking on it, which will automatically start the scanning process, or to address them all simultaneously. The program is able to detect a wide range of issues concerning your cache, history, cookies and saved passwords, letting you review them and choose the ones you wish to remove by pressing the 'Clean' button. Nonetheless, before a scanning operation, you can select the type of items of you want to get rid of from the 'Settings' section. At the same time, it allows you to 'Clean All Browsers', thus targeting and analyzing all of the currently installed web explorers, so you can optimize them all with a simple push of a button. Stotraa Browser Optimizer even enables you to configure the homepage on all of the compatible software, with minimal effort. Useful tool for optimizing your browser All in all, Stotraa Browser Optimizer is an intuitive and easy to handle utility that aims to assist you in performing a mass cleaning operation on all of your web browsers, removing the data that can jeopardize your online safety, not just their running speed.
