The book is distributed in 5 languages, with about 700 images for each translation. What's more, the release of the book is promoted in all possible social media, to disseminate the numbers as much as possible, of course absolutely free. The tmx file should be the order so that the support department can get the shipment from the supplier to the warehouse in time. We distribute the data in the html format, because it is much easier to be disseminated in social media. Hence it is very likely that anyone who plays in the Internet can get the free book in a few hours.
