ABOUT THE WORLD, ELDEN RING, AND FANDOM \*The Lands Between is a land in a different dimension from the world we know. The number of dragons scattered in it is too numerous to count, many of which are dangerous. Tales say that the Elder Dragons that ruled there before the Elden Kings and the Four Guardians were born have been destroyed, but in that land a dragon resides inside a crystal and sleeps deep underground. Among the Elden Knights, Gwyneth, who has taken the crystal of a dragon, is said to have accomplished great things there. They met there in a conflict between Elden Lords, and they met again in a war and vanished together. In the Lands Between, a variety of things have changed since then. It has become a land in which dragons live. The four Elden Knights are gone. The powerful Tarnished Knights have risen to power. It has become a land with many dangers. If you want to face those dangers, you can become a Hero and join the Champions of the Elden Knight, who have aspirations of peace.
