- 4.5 / 5 (450 ratings) "It's an incredibly well-done RPG that I'd recommend to anyone." - GameXplain "One of the most impressive RPGs I've played on the GBA." - Game Over Online "It's a refreshing new take on the standard fantasy formula, and it provides an intriguing story in an atmosphere where you'll explore, fight, learn, and laugh your way to a satisfying conclusion." - GameCritics "Tarnished" takes a new angle on the standard fantasy RPG. It's by chance that I first played the GBA version of the game, but Tarnished managed to just blow me away! Quite simply, Tarnished is a fantasy RPG with innovative mechanics, an immersive world, and an interesting story that just gets better with every playthrough. I'm pretty sure that anyone who plays the game should expect to experience a memorable story filled with twists and plenty of exploration. Tarnished is one of the best RPGs I've played on the GBA, and I hope that the developers will continue to work on it. - 5/5 "A refreshing new take on the standard fantasy RPG." - Game Over Online "Tarnished" takes a new angle on the standard fantasy RPG.
