
Synergy HalfLife 2 CoOperative Mod Standalone NoSteam

synergy is a half-life 2 co-opertive multiplayer modification. we have evolved from multiple mods (dc co-op 2, dev co-op and tim-coop) to offer you the greatest co-op experience. this modification strives to give half-life players a true half-life 2 cooperative experience. the mod features our own levels and the ability to play the

half-life 2, episode one and episode two campaigns co-operatively. in addition, you can add more content by installing third-party mods, such as rock 24 and minerva: metastasis, then playing them in synergy! for those of you who don't know, synergy is a half-life 2 co-opertive multiplayer modification. we have evolved from multiple mods (dc co-op 2, dev co-op and tim-coop) to offer you the greatest co-op experience. this modification strives to give half-life players a true half-life 2 cooperative experience. the mod features our own levels and the ability to play the half-life 2, episode one and episode two campaigns co-operatively. in addition, you can add more content by installing third-party mods, such

as rock 24 and minerva: metastasis, then playing them in synergy! please note that if you have a workshop add-on (not item replacements) currently active in the synergy workshop you need to re-update it. this update removed the vpk requirement for add-ons to solve various engine issues. all you need to do is select your add-on in the workshop publisher menu and do an update item and re-upload your content. workshop standards are now out of beta so these requirements will no longer change. hey folks! been quite some time! i hope over the next few months to have some time to give synergy the attention it needs! this round we're releasing steam workshop for synergy. we know you like to mod

synergy up so we figured having a
centralized and game-supported
implementation is the way to go to keep it
easy as possible.

Synergy HalfLife 2 CoOperative Mod Standalone NoSteam

Synergy is a Half-Life 2 co-opertive multiplayer modification. We have evolved from multiple mods (DC Co-op 2, Dev Co-op and Tim-Coop) to offer you the greatest co-op experience. This modification strives to give Half-Life players a true Half-Life 2 cooperative experience. The mod features our own levels and the ability to play the Half-Life 2, Episode One and Episode Two campaigns co-operatively. In addition, you can add more content by installing third-party mods, such as ROCK 24 and MINERVA: Metastasis, then playing them in Synergy! Synergy is a Half-Life 2 co-

operative multiplayer modification. We have evolved from multiple mods (DC Co-op 2, Dev Co-op and Tim-Coop) to offer you the greatest co-op experience. This modification strives to give Half-Life players a true Half-Life 2 cooperative experience. The mod features our own levels and the ability to play the Half-Life 2, Episode One and Episode Two campaigns co-operatively. Please note that if you have a Workshop Add-on (not Item Replacements) currently active in the Synergy Workshop you need to re-update it. This update removed the VPK requirement for Add-ons to solve various engine issues. All you need to do is select your Add-on in the Workshop Publisher Menu and do an Update Item and re-upload

your content. Workshop standards are now out of beta so these requirements will no longer change. Please note that if you have a Workshop Add-on (not Item Replacements) currently active in the Synergy Workshop you need to re-update it. This update removed the VPK requirement for Add-ons to solve various engine issues.
