I am having trouble using the Windows file transfer method to download the file downloadwindowsloaderbydaz222 from the internet onto my computer. The file seems to be corrupted. What can I do? I can view the file if I download it onto a disk using my Mac but when I then try to open it, it opens with Microsoft Word. I want to open this file with Microsoft Word, I need a way of reading this file on my computer. Please help.
