On the 28th I decided to go with just my film gear and a few handhelds and see how I did. The temperature was hovering around zero degrees Fahrenheit. I took my stuff over to Lake Alyesk and set up shots with lightning flashes as the sun broke through the clouds. People were floating and paddling around in the snow, and were trying to light a campfire. I had a bunch of film exposures; I figured there must be some areas of good light somewhere in the area. I hiked around and ended
