Set in the Lands Between, an ancient land between the two worlds of the mortal world and the world of gods. The sacred city of Elden, known as "The Elden Ring," is home to the precious "Eden's Fruit" which can only be found in the Lands Between. The "Elden Ring Game," a game in which people who have been guided by grace will challenge each other to a duel to protect "Eden's Fruit," is a massively multiplayer online game that is enjoyed by thousands of players at once. The development team is a group of experienced developers who have worked on many online games, including Square Enix's FINAL FANTASY XI, KINGDOM HEARTS II FINAL MIX and KINGDOM HEARTS FINAL MIX. ABOUT KINGDOM HEARTS The KINGDOM HEARTS series presents an entirely new kind of role-playing game, marking a new pinnacle in games where you, the player, can directly participate in the story as your alter ego, Sora. After the destruction of the Hollow Bastion in FINAL FANTASY X, Sora is separated from his friends. A series of incidents, that are unseen by the world, unites Sora and his friends, and they set off in the world of KINDOM HEARTS. Together, as Sora and his friends, they set forth into a vast world in order to save the worlds of the Other World. In KINGDOM HEARTS Re: Chain of Memories and KINGDOM HEARTS 358/2 Days, for the first time, the mystery surrounding Sora and the worlds of the Other World is revealed. The worldwide appeal of the KINGDOM HEARTS series is testimony to a new direction for console gaming, and the series has received numerous awards around the globe. Please stay tuned for more information. The KINGDOM HEARTS series is manufactured under license by Square Enix Co. Ltd. Features Key:

Weathering Expanse
Heart Attack
Miracle of the Elden Ring

Heart Attack You're captured by monsters on the battlefield and held captive in a prison. Even in such a dire situation, you have to make a decisive battle and rise in the world with the aid of the powerful Might and Honor attack. Miracle of the Elden Ring There are times when you encounter an enemy unexpectedly. Although you are an unskilled ELDRING, you can turn the tables on them with your abilities to power up your weapon and armor. Weathering Expanse The world of Gransys, an elden ring-shaped continent, is always changing. Fields sprout from the ground, dungeons and castles collapse, and a river that was serene one moment is transformed into a raging torrent just like life. This endless cycle goes on day after day. To reach the top of the world, you'll have to change with the times.

freedom of expression, creativity, and freedom of speech in Europe. We want to make you aware that the subject matter of the video we are about to release is extremely alarming. We are really concerned about this video which conveys several unacceptable ideas and displays a lack of respect towards a major world religion. Please keep in mind that Ten Minutes of Courage is an independent and non-religious project. Despite this, there are several false and misleading ideas we want to make people aware of. This is a video we have been working on for quite a while, it is very close to our hearts and our deepest thoughts. In order to prevent these ideas to be propagated, we have decided to distribute the video to as many people as possible. We believe that our project will continue to receive an emotional response from people, regardless of religious beliefs, political views, or any other. We hope to demonstrate that censoring the freedom of expression is unacceptable, but we also want to make it clear that freedom of expression should never compromise the fundamental rights and beliefs of any person or group of people. In order to be able to represent these ideas, we will only be releasing the video on a few places, and with a few people, but all over the world. This kind of procedure is very time-consuming, but we believe it's the most effective way to ensure
