Naruto origin

Conceived in 2001, the series' plot revolves around the ninja Sasuke Uchiha, whose great power creates a barrier that prevents him from using a reincarnation technique known as the "Fourth Hokage". Attacked by multiple terrorists, Sasuke is taken in by the ancient government where he is given rehabilitation. An older man named Ikkei Inuzuka possesses two swords which contain a dark energy source and has the ability to create clones of himself. His disciple Shino Aburame sees Sasuke as a member of a clan with a sealed power of an original warrior, and in the course of protecting Sasuke, becomes his foster child.

The series came about due to publisher Shueisha's intention to launch a new series aimed for a broad audience. The author Masashi Kishimoto previously was not signed to a company, and created a new character whom he liked in a magazine. Before the first installment was released, Masashi Kishimoto finished writing the books he was working on. The series consisted of two movies at the beginning, and then 23 volumes during the first decade of its run. The anime adaptation is ongoing since 2002, with a new movie every year. The <
