The Kingdom of Elden is a country that is surrounded by a great wall to protect itself from evil forces on all sides. In the middle of the country, like the crescent moon, is the center city of Faldhelm, where the most powerful lords reside. Countless people have lived here for thousands of years, but it seems that this world is finally ending. Just then, a terrible event rises that shakes the whole country. The Far East Alliance of Aranne, a fierce civilization known for their barbarism, invaded the city of Faldhelm and laid waste the city. The police as well as the militia army failed to repel the invasion. The capital of the Kingdom of Elden fell. Like a mighty hand, everything was pulled away from this country. The fate of the Kingdom of Elden, which had finally come into the world of men, seemed certain. The Kingdom of Elden has been left in utter chaos. The people of this troubled country are stuck in a kind of hopelessness, and the great civilization of Elden is in ruin. If a survivor has not yet been born, the kingdom will be swallowed by the sea of darkness once more. However, all is not lost. The Elden Ring has been handed down the family name from generation to generation. This family is remembered as an object of the gods that protects a righteous civilization. You're set free to create your own character. Become a strong warrior or a powerful wizard. Gain strength to raise your own army to counter the power of the Far East Alliance of Aranne and change the course of fate.
