NAB eChampion's award winners named The National Alliance of Business' celebration of the National Academy of Leadership's 30 years of service to business executives will be the 8th annual Eagle Awards, which will be presented at the National Academy of Achievement's (NAA) national awards ceremony in Washington, D.C. on April 10. In January, the National Alliance of Business announced that it is the primary presenting sponsor for the annual National Academy of Leadership awards ceremony this spring, following an honorarium of \$50,000 from NAA president Henry Waxman. "We are pleased to support this important event in the corporate world for individuals who have made outstanding contributions to business leadership," said NAB president and CEO Patricia A. Dunn. The Eagle Awards are presented in three categories: individual, corporate and new technologies. The NAB's Press Awards, which will recognize the year's most important and influential business news and information providers, will be presented in June. "The National Alliance

Hi. I have a MCA01 which i bought from you. I have not programmed this. I was wondering if there was any software that you could send me that I can use and not buy anyo From: love2fend123@aol.com 13-Jan-2004 16:06  
Picked up the stuff from Hytera Dear Hytera, i want to know if i can use hytera programming software on my HYT 650S or i have to buy the Hytera 650S programming software in any case because if i do not have the programming software for the 650S i can not program the 650S because i do not have the software for the 650S. From: japantiger128@yahoo.com 22-Jan-2004 15:45 I have a Pal-Titan with the 750D and I have a Hytera TC-700 with the T700E and I would like to be able to program the Titan to see if I like the sound better than the sound on the Titan. My wife wants to have a radio for her work so she will be using her BlackBerry and working with the Palm T|X. The Titan has the Sprint PCS 700 service with the software.
