Nintendo 3ds Soundfont

SoundCloud user XPhoenixV has uploaded a SoundFont file called "FATAL" for use with Nintendo 64 Emulator 3.2.0. This soundfont is awesome, and is made for Nintendo 64 Emulator, although it works with most emulators. And by the way, there's nothing wrong with the SoundFont file as you've probably read. If you wish to convert the soundfont into a WAV file or OGG format, you can use a soundfont converter (googled it for you). - First, download the soundfont. - Convert the soundfont into WAV or OGG using the SoundFont Converter. Notes: - I use the SoundFont Converter, because it's free and one-click converting. - Converting soundfonts to WAV can take quite a long time if you have a slow internet connection. I've had to wait more than 10 minutes. - Converting soundfonts to OGG usually does work faster, but I haven't tried that myself. (I don't have an internet connection that fast). After converting the file into the desired format, copy the file to your N64 emulator's folder (if you have one), and enjoy it! Pokemon Sapphire Soundfont. Enigma TV Graphics Soundfont. Mario 3D Soundfont. FATAL Soundfont. Final Fantasy Soundfont. There are plenty of other soundfonts, so try a search on this page or on the internet. (Maybe you'll find this SoundFont file useful). This site is dedicated to soundfonts and to the Nintendo 64 (N64) video game console. This includes soundfonts (sampled music files), instruments, video games and videos (like the "Games on the Nintendo 64" and the "Nintendo 64 Emulator" series). This site is no longer being updated, but you can search this page using google instead. Check out the "Nintendo 64 Emulator". Nintendo 64 Soundfonts The Nintendo 64 (N64) video game console was released in November 1996. It is a personal computer capable of playing digitally encoded games. Nintendo's flagship home video game console was primarily designed to compete with Sony's PlayStation and Sega's Genesis/Mega Drive. It was also designed to compete with the Game Boy and its Game Boy Advance counterparts. (I 6d1f23a050
