Yes, all the links work, even the iTunes and Zune ones.For anyone who follows the Redux series, you know that the 5th game is going to require a different style of game play, which means that we will have to use the 3rd person viewpoint. The 3rd person camera is a bit boring to look at, and it makes the backgrounds smaller so we decided to make a new trailer for the game. In order to make the game more visible, we also added another character called Valkyria. Valkyria, (originally voiced by Hikaru Midorikawa) is a 17-year-old girl that is a Valkyria, which means she is a Valkyria, her Valkyria name being Ancilla. There is a chance that Valkyria will like Aoba, which will make the story even more 6d1f23a050
